

**SHARP**

In a solar car race spanning 3,000 kilometers, one of the world's longest and most grueling, a vehicle powered by Sharp solar cells was the first to cross the finish line.

Tokai University's "Tokai Challenger," winner of the 2009 Global Green Challenge

Empowered by its fifty years of achievements and innovation, Sharp will continue developing cutting-edge solar technologies.

**Sharp: A world leading solar company.**
